BBA	60

The “School of Engineering & Management”, approved by AICTE, is the eighth constituent unit of the D. Y. Patil Education Society (Deemed to be University), Kolhapur, which is nationally regarded as one of the preferred destinations for pursuing academic programs in Medicine, Nursing, Physiotherapy, Hospitality Studies, Allied Health Sciences, Pharmacy, and Interdisciplinary Studies along with cutting edge research in interdisciplinary fields specially in health sciences, stem cells, tissue engineering, nano-materials, and energy storage devices. DYPES was granted the status of a Deemed to be University by the then Ministry of Human Resource Development, Government of India, under Section 3 of University Grants Commission Act on September 01, 2005.

The School of Engineering & Management is established to provide education in engineering, technology, management and computer applications in order to contribute to the pool of acclaimed technocrats and managers. The programs in engineering and technology under the 'School' are aimed to enable the students to work on emerging technological areas such as intelligent machines, software, or applications with a cutting-edge combination of computer technology, core engineering, nanotechnology, data science, artificial intelligence, machine learning, augmented and virtual reality, analytics and visualization technologies, to satisfy engineering, healthcare and agriculture-based needs. The programs are laid to emphasize on interdisciplinary and collaborative approaches to address the challenges of developing world by ethical values and knowledge base.

The 'School' offers four B. Tech. programs in Computer Science and Engineering, Data Science, Electronics and Telecommunication Engineering, Electrical Engineering and two PG programs namely MBA and MCA from academic session 2023-24 approved by AICTE and undergraduate program in BCA and BBA.

02. IMPRESSIONS FROM

DR. R. K. MUDGAL,
Vice-chancellor,
D. Y. Patil Education Society
(Deemed to be University)

I am delighted to share that our 'School of Engineering and Management' is launching its inaugural newsletter to commemorate its first anniversary. This newsletter serves to celebrate and communicate our achievements and initiatives over the past year. Throughout this period, our School has made significant strides in establishing a foundation for academic excellence, innovation, and community engagement.

The School has conducted numerous activities across curricular, co-curricular, and extra-curricular domains, providing the students with a comprehensive and enriching educational experience. The enthusiastic participation of students and the invaluable guidance of our faculty members underscore the university's commitment to advancing knowledge and fostering learning. Our students have consistently demonstrated exceptional talent and dedication, showcasing their skills through various competitions at different levels. Their achievements not only reflect their hard work but also underscore the exceptional quality of education they receive at our university.

In addition to academic pursuits, our commitment to actively engage with the community has resulted in significant student involvement in social and rural internships. These initiatives are aimed to identify and address pressing societal challenges, contributing to both social impact and economic growth. These initiatives exemplify the innovative thinking and leadership qualities that we aim to instil in our graduates.

Looking ahead, we are confident in the upcoming years as we focus on new andragogy, practices, projects and partnerships will further elevate our School's reputation as a preferred destination for engineering and management education.

I urge all stakeholders to stay engaged and support the endeavours of our 'School of Engineering and Management'. Together, we will continue to push the boundaries of knowledge and shape the future of education.

Best Wishes,

Dr. Rakesh Kumar Mudgal
Vice-Chancellor

02. IMPRESSIONS FROM

DR. A. K. GUPTA,
Exe. Director, DYP Group

Dear Colleagues and Esteemed Readers,

It is with great pleasure and enthusiasm that I extend my warmest greetings to you through our yearly technical newsletter.

As Executive Director of D. Y. Patil School of Engineering and Management, I am continually inspired by the dedication and innovation displayed by our faculty, staff, and students. Our institution is not merely a place of learning; it is a vibrant community where ideas are nurtured, challenges are embraced, and excellence is pursued relentlessly.

In this edition of our newsletter, you will find a wealth of information showcasing the latest advancements, research breakthroughs, and academic achievements within our school. From cutting-edge projects to impactful collaborations, each article reflects our unwavering commitment to pushing the boundaries of knowledge and driving positive change in the world.

As we navigate the ever-evolving landscape of engineering and management education, I encourage all members of our community to seize every opportunity for collaboration, exploration, and growth. Together, let us continue to innovate, inspire, and make a lasting impact on society.

I extend my heartfelt appreciation to everyone who has contributed to the success of this newsletter, and I look forward to witnessing the continued growth and excellence of D. Y. Patil School of Engineering and Management.

Thank you for your dedication, passion, and commitment to excellence.

Warm regards,
Executive Director
D. Y. Patil School of Engineering and Management

02. IMPRESSIONS FROM

DR. A. S. PATIL,
DIRECTOR, DYPSEM

I am thrilled to present the inaugural newsletter of D. Y. Patil School of Engineering and Management in Kolhapur. Currently immersed in the Information Age, where data functions as the driving force and Artificial Intelligence (AI) serves as the catalyst propelling businesses forward, we find ourselves in an era of significant transformation. Creativity emerges as the guiding principle for the next generation of businesses, leading to a complete overhaul of conventional business models as they transition into digital frameworks to meet evolving expectations. Recognizing this pivotal shift, we have established the D Y Patil School of Engineering and Management, positioned at the forefront of this technological revolution. Our academic offerings are carefully designed to align with the demands of the contemporary industry landscape. This newsletter aims to showcase the creativity of our students and provide a platform to highlight their activities, achievements, and events within the institute. I extend my best wishes for the success of this newsletter.

03. OUR DYNAMIC HEAD'S...

Mr. Abhijeet Matkar
Head of the Department,
First Year Engineering

Greetings, Students...!!!

Namaste & I extend an inviting greeting to everyone at D. Y. Patil School of Engineering & Management, Kolhapur.

The Department of Engineering is where aspiring engineers begin their adventure. It lays the groundwork for engineering graduates by emphasizing the essentials in all fields of engineering. We take special care of newly admitted students during their transition from school to college life. Our department has excellence in research, teaching, and working closely with industries. The department assists students in instilling fundamentals and developing logical and analytical skills, which will help them succeed in subsequent education and their careers. We built our curriculum in accordance with the NEP 2020. The department allows students the freedom to select from a Liberal Learning Skill Set and has also incorporated Indian knowledge system as well as professional communication courses. We maintain an excellent balance between engineering science and basic science along with life learning skill sets. Faculty members are renowned and have outstanding academic qualifications. I offer a guarantee here that students will gain an in-depth understanding of the fundamentals by providing well-equipped laboratories, a computer center, and a workshop, ultimately making them able to accommodate themselves anywhere across industries in today's globalized world.

Mrs. Asawaree Yadavh

Head of the Department,
Master of Business Administration

We at DYPSEM provide high-end management education and have assembled a mix of academicians and industry professionals for theoretical as well as practical wisdom. This coupled with innovative teaching methods like the case study method, mind-mapping, Audio-Visual, open book assignment, E-learning etc. We strive to inculcate into students an attitude of life-long learning that is critical in the era of globalization. The conventions of Management are becoming dynamic in the current scenario with paradigm shifts in the field of Information Technology. In response to the same the MBA course at DYPSEM entails continuous evolution of the curriculum both in terms of conceptual up-gradation and timely introduction of skill-based course. Further in these times, getting the right kind of talent and its retention is indeed a challenging task for firms in respective industries.

A dedicated training and Placement team and Corporate relation cell at DYPSEM helps in Training and Placements, due to which everyone gets an opportunity to participate in Placement Process.

To develop entrepreneurship among the students we have dedicated Entrepreneurship Development Cell. The institute has good infrastructure, Wi-Fi on the campus, well-equipped labs, and library.

I assure that your two years journey in DYPSEM MBA for the professional course in management would be adding a different dimension to your life and provide distinctive edge over the other management graduates.

Dr. Sampada Gulavani

Head of the Department,
Computer Application

Welcome to D.Y. Patil School of Engineering and Management, Kolhapur. As an institute of excellence, we aim to provide high-quality education, action-centric research and value-added training. We have committed faculty members actively involved in their pursuit of creating and disseminating knowledge through teaching, research and training. In their endeavor to develop innovative software professionals, faculty members also offer knowledge of various curricular subjects, co-curricular subjects and inter-disciplinary areas to groom students' personalities. Academic rigor is reflected in the course conduct and delivery of various subjects under this program. Various pedagogic tools like case studies, problem based learning and minor projects help our students to develop not only as a holistic professional but also imbibe an ability to seize opportunities in a competitive business environment.

The state of the art Infrastructure, a well-equipped Library and up to date Computer Laboratories play the most important role in students' tenure at DYPSEM. Continuous up-gradation on the basis of expert talks from IT Industry and academics has distinguished DYPSEM as an institution of distinctive and competitive advantages. Corporate networking and mentoring have developed our students and improve their place-ability scores by aligning their Knowledge, Skill & Attitude with the key requirements of the job market.

05. OUR EMBELLISHMENTS : INFRASTRUCTURE, RANKS & FACILITIES

The State of the Art

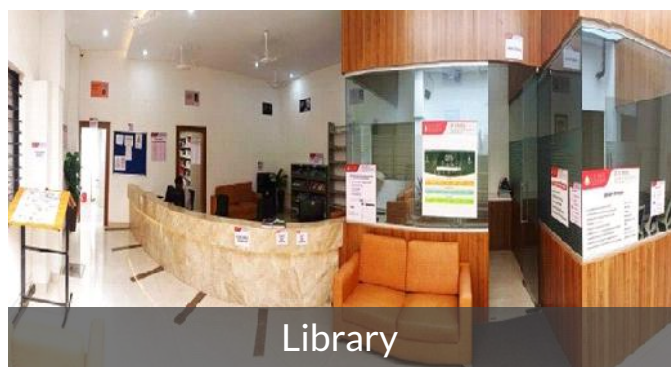

The School of Engineering and Management exhibits the most State of the art infrastructure and facilities for the students.

The Library

The library is housed on the ground floor of the administration building. The seating capacity of the study room is about 200. The library serves the academic needs of about 500 UG and PG students and Faculty members, administrative staff of our institute. Besides that, services are extended to a number of other organizations as well. The library's resources stand at about 3713 volumes, including books, periodicals, audio-video forms, and theses. The journal subscription goes beyond 94, while all journal subscriptions are available in print form as well as online form.

The library has been catering to the needs of undergraduates, postgraduate research scholars, faculty, and staff members of the 7 departments of our institute. The book collection has been supporting the teaching, research, development, and other professional activities of these departments. The demands of the ever-growing research areas in multiple disciplines are being catered to with the help of the latest volumes in almost all fields of engineering, science, technology, Management, and general areas.

The library has membership with NDL and DELNET in New Delhi for interlibrary loans, reference facilities, and document delivery services. The library provides study room facilities during normal and extended hours.

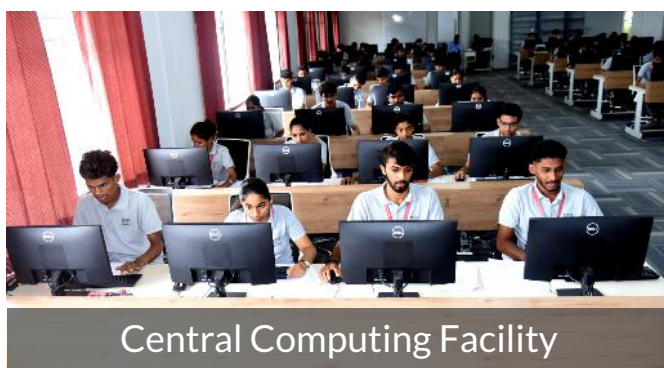

Library

Reading Room

Language Lab

Central Computing Facility

The Language Lab

The department of First Year Engineering has the facility of the Digital Language Laboratory. ACE Digital Language Lab software provides a controlled environment for students to practice listening, speaking, reading, and writing in a target language. The software includes one teacher console and 20 Students Consoles.

“A+” ACCREDITATION AND 3.48 CGPA BY NAAC

The D.Y. Patil Education Society, Deemed to be University excelled in its another milestone of getting accredited with “A+” in the third NAAC cycle during 30th November 2023 to 2nd December 2023. The NAAC Peer Team visited the various constituent units of the D Y Patil Education Society i.e., Medical College, Hospital, Centre for Interdisciplinary Research, School of Hospitality, Nursing College, Physiotherapy College, School of Allied Health Sciences, Pharmacy College etc. Our University proudly continues to be ranked amongst the 150 Leading Universities in India of NIRF-2023 ranking.

Welcoming the NAAC Peer Team,
Ritual of waving lit lamps.

University Flag Hoisting by the Hon'ble Chairman
NAAC Peer Team Prof. Abbas Ali Mahdi and
Hon'ble Chancellor Dr. Sanjay D. Patil

GLIMSES OF NAAC PEER TEAM VISIT

DECLARATION OF RESULT & CELEBRATION POST 3rd CYCLE OF NAAC ACCREDITATION

The result declaration marked a stellar event to recognize, appreciate and glorify the indomitable journey, dedication and endeavors of the D. Y. Patil Education Society to continue to deliver the best all the times.

06. DEPARTMENTAL EVENTS

Orientation Program

17th August 2023

Orientation Program marked a threshold for our First Year B. Tech. students, to understand and resonate with the awareness of campus facilities, support services, extracurricular opportunities. Hence resulted in liasoning with a smooth transition to college life. The event was graced by the presence of the Hon'ble Founder President Dr. D. Y. Patil, Hon'ble Chancellor Dr. Sanjay D. Patil, Hon'ble Trustee Mr. Ruturaj S. Patil, Hon'ble Trustee Mr. Prithviraj S. Patil, Hon'ble Vice Chancellor Dr. R. K. Mudgal, Hon'ble Executive Director Dr. A. K. Gupta, Hon'ble Registrar Dr. V. V. Bhosale. Dr. S. D. Chede, Principal, D. Y. Patil College of Engineering and Technology rendered a welcome address and Dr. V. V. Bhosale, Registrar, D. Y. Patil Education Society, expressed the vote of thanks.

Induction Program : MBA

18th to 25th August

The MBA students went through an Extensive Induction Program for a week. The program covered an Ice-Breaker Activity, expert lectures on Professionalism and Important Work Etiquettes by Ms. Pragati Untwal, Personality Development by Mr. Kiran Parandekar, Importance of Soft Skills by Mr. Sohan Tiwade, the meet with the evolved entrepreneurs : Mr. Sheetal R. Patil and Mr. Dadu Salgar. The conclusion of Induction Program with the movie review "A Grave of Fireflies" was intended to foster the EQ of the students.

Felicitation offered to Mr. Sheetal R. Patil, CEO & MD, Khatendra Marketing Pvt. Ltd

MBA students and faculty with Mr. Dadu Salgar

Ice- Breaker Activity conducted by Ms. Pragati Untwal

Industrial Visit to Warana Dairy and Agro Industries Ltd.

02nd September 2023

The industrial visit to Warana Dairy and Agro Industries Ltd. was arranged for 56 MBA first year students accompanied by 2 teachers. The core purpose of the visit was to offer the students industry knowledge to narrow the gap between the classroom concepts and practical industry working.

Celebration of Teacher's Day

06th September 2023

The Teachers' Day which is observed on 5th September nationwide to honour the immense contributions of Late Dr. Sarvapalli Radhakrishnan on his birthday was organized and celebrated at DYPSEM by our MBA enthusiasts. The event marked with the felicitation of the faculty members, followed by a speech by Director, Dr. A. S. Patil, an address by MBA HoD Mrs. Asawari Yadav and ended with a small refreshment for the staff members.

Enthralling Engineers' Day Celebration

15th September 2023

Engaging the young talent through various competitions on the occasion of Engineer's day spurred out creativity among the DYPSEM students. The event began with inauguration ceremony followed by felicitation of staff members of DYPSEM in the hands of Hon'ble Director Dr. A.S. Patil. The competitions like Best out of Waste, Poster Making, BGMI- Battlegrounds Mobile India, Tower Making rose high spirits among the students. 180 students participated in the event. The event concluded with Valedictory ceremony, where the students were recognized with certificates and cash prizes for their outstanding performance and involvement in the competitions.

The Growth Studio

"Market Survey activity : Seasonal market study for Ganesh Chaturthi"

16th September 2023

The MBA students visited the local markets i.e. Mahadwar Road, Jyotiba Road and Rajarampuri Main Road which are the most hustling marketplaces in the city especially during festive seasons. The Market research combined primary information, gathered directly from consumers, sellers, etc. The students were able to understand and feel the seasonal market environment. They were also able to familiarise with the selling and negotiation techniques used by sellers in the market.

“Blessings of Ganesha, Glorious Wisdom of Shree”

18th to 25th September 2023

Upholding the beautiful cultural and traditional legacy of celebrating festivals, the MBA students were wholeheartedly involved in organising this very auspicious Ganesha Festival at the DYPSEM campus. The event involved a very grand welcoming of Ganesha idol, Pratisthapana of the idol, Puja and Aarti. The splendid decorations and arrangements left everyone mesmerising as devotees.

Visit to “Kopeshwar Temple, Khidrapur”

30th September 2023

Students exploring the information on Kopeshwar Temple by Dr. Ramchandra Chothe

Under the course of 'Indian Knowledge System- Historical places', the Field Visit was arranged for F.Y. B.Tech. students to Kopeshwar Temple, Khidrapur. The students enjoyed, studied and carefully observed this innovatively artistic ancient Kopeshwar Temple. The beauty of the temple is truly enchanting and magnificent with sculpture designs, idols of gods and goddesses carved which exhibits special craftsmanship of its kind.

Design Thinking- Ideation Bootcamp

09th to 11th October 2023

The Design Thinking - Ideation Bootcamp (an exclusive 3 days idea validating workshop) was organized for the student community to revolutionize the way students think about problem-solving and innovation. Mr. Rakesh Totakar, Head of the students Pre- Incubation Program, Ms. Supriya N. Vaidya, Partner at Innovascope LLP, Mr. Samarth P Kulkarni, Electronics Engineer & A Full Stack Developer at Innovascope LLP and Mr. Rohit R V, Managing Partner at Innovascope LLP were the experts invited for the bootcamp. The bootcamp facilitated the learning of design process, basics of design thinking, awareness on idea generation to identify and solve the problems and the fundamentals of entrepreneurial mindset among the first year engineering students.

D.Y. PATIL UNIVERSITY
SCHOOL of ENGINEERING & MANAGEMENT
KOLHAPUR
Department of First Year Engineering

DESIGN THINKING IDEATION BOOTCAMP
Explore | Educate | Implement
(An exclusive 3 days Idea Validating Workshop)

EVENT DATE: 9th to 11th October 2023
VENUE: Seminar Hall

Highlights:
-Defining problem statement
-User, needs, and insights
-Idea generating with system thinking
-Design kit for Prototyping

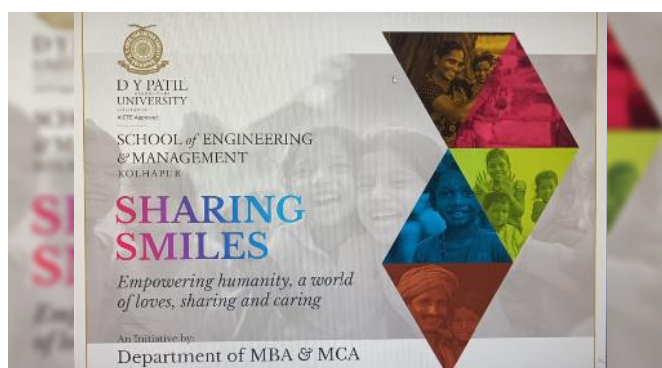

Modes of Delivery
-Theoretical sessions
-Case studies
-Self notes
-Self assessment

A Visit to Orphanage Center- Avani “A joint initiative by MBA and MCA students”

03rd November 2023

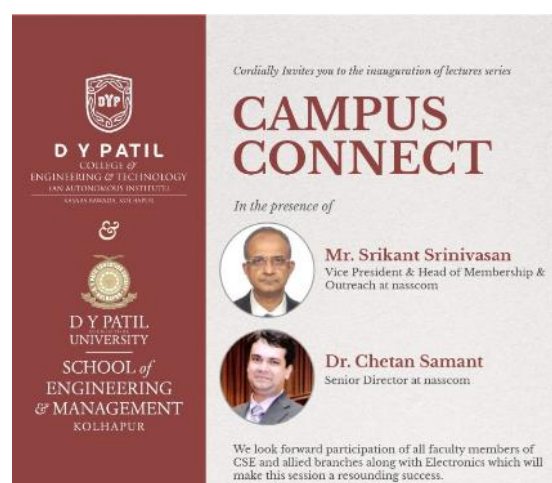

The purpose of the visit was to make the students aware about orphanage and to see their problems, to contribute something back to the society and give helping hand to the needy people. Such activities also trigger a sense of role and responsibility towards needy people in the society, the development of humanistic values, empathy and compassion etc.

“Campus Connect” with NASSCOM

07th to 08th November 2023

The event was organised as an inaugural ceremony to start with the exclusive lecture series named “Campus Connect” on 7th November 2023. The event was inaugurated in the auspicious hands of the esteemed chief guests Mr. Shrikant Srinivasan, Vice President, NASSCOM and Dr. Chetan Samant, Senior Director, NASSCOM. The event also brought about fruitful discussions and an open interactive session with the faculty members and students of engineering.

Parents Meet AY 2023-24, SEM - I

24th November 2023

The first Parents Meeting was held in DY Patil School of Engineering and Management, Seminar Hall with a participation of 196 parents in a highly favourable setting. The parents meet resonated successfully with a detailed presentation of Teaching- Learning Process by Director Dr. A. S. Patil, Exe. Director Dr. A. K. Gupta interacted with parents and shined light upon the vision, result-orientedness, intrusion of NEP 2020 and the desirable perspective plan of the institute on the experiential learning and holistic growth of the students. The meet ended with Vote of Thanks by Mrs. Asawari Yadav, HoD, MBA followed by refreshment for the parents.

Annual Day Celebrations

Date: 17th to 19th February 2024

Annual functions marked an energetic event showcasing artistic flair through different modes of self-expression, music, dance performances, skits and much more.

A visit to Compserve Consultants Pvt. Ltd.

15th May 2024

On Wednesday, May 15th, 2024, the MCA students from D. Y. Patil School of Engineering & Management in Kolhapur, Maharashtra, visited Compserve Consultants Pvt. Ltd. The visit provided an insightful look into the company's operations and services. Compserve specializes in IT solutions and consulting services. Students toured various departments, including software development, IT support, and business consulting. They observed the employees at work and learned about data security, cloud computing, and big data analytics in the company's advanced data center. The visit concluded with a Q&A session where employees shared their experiences and offered career advice. This visit was both educational and inspiring, giving students a better understanding of the IT and consulting industry and motivating them in their studies and future careers.

CAPSTONE Project Exhibition

Date : Thursday, May 16th 2024

One of the dictionary meanings is the 'crown' or the stone placed on the top of building structure like 'Kalash on top of temple and Mosques' or cross on top of Churches'. Capstone project has emphasis on integration, experiential learning and real world problem solving and hence these project are very important for students to develop highly essential industry oriented skills and competencies.

IKS Poster Exhibition

Date :Thursday, May 16th 2024

IKS Poster Exhibition organised by Department of First Year Engineering

Parents Meet AY 2023-24, Sem - II

Date : Thursday, May 16th 2024

The D. Y. Patil School of Engineering & Management in Kolhapur, Maharashtra, hosted a highly successful parents meeting. The event was graced by the presence of Vice-Chancellor Prof. Rakesh K. Mudgal Sir, Executive Director Dr. A.K. Gupta Sir, Registrar Dr. V. V. Bhosale Sir Director Dr. Ajit S. Patil, FY HOD Mr. Abhijeet Matkar, Dyp. Registrar Mr. Ashwin Desai. Hon.VC Prof. Rakesh K. Mudgal Sir welcomed the parents and delivered an enlightening speech about the foundation and achievements of the University.

07. ESTABLISHMENT OF NATIONAL SERVICE SCHEME (NSS)

The launch of NSS Unit at the School of Engineering and Management marked a new beginning for young students to gain hands on experience in delivering community service.

The inaugural event of NSS at Mahalaxmi Temple : Special Campaign 3.0 25th October 2023

The event was organized as Cleanliness Campaign for cleaning activity at “The Mahalaxmi Temple, Kolhapur”. The activity covered the following areas for cleaning : Premises of the Mahalaxmi Temple Kolhapur, Bhavani Mandap, Juna Rajwada, Jotiba Road and Mahadwar Road etc.

The Unity Pledge Recitation' organized on “National Unity Day” in the honor of Sardar Vallabhbhai Patel on his Birth Anniversary

31st October 2023

The NSS volunteers took part in the 'Unity Pledge Recitation' ceremony that was held in the Seminar Hall of the college. The event fostered the awareness to preserve the unity, integrity and security of the nation and to cherish the vision and contributions of Sardar Vallabhbhai Patel.

Celebration of the “Constitution Day”

28th November 2023

The Constitution Day which is usually observed on 26th November nationwide was celebrated by reading preamble of constitution of India at DYPESEM.

Road Safety Awareness Campaign

Date : 12th January 2024

The NSS Volunteers of School of Engineering and Management displayed the Road Safety Posters to create awareness about the Road Safety. "The Road Safety Month" which is proposed to be observed from 15th January to 14th February 2024 by Ministry of Road Transport and Highways.
Locations covered: Tararani Chowk Signal, Dhairyaprasad Hall Signal

Live Streaming of National Youth Festival,

Date : 12th January 2024

The live streaming of inauguration of the National Youth Festival was organized to empower our youth with a great source of inspiration from **Swami Vivekananda**, this event was held at Nashik, Maharashtra and was inaugurated by Hon'ble Prime Minister Narendra Modi.

Martyr's Day

Date: 30th January 2024

Martyr's Day was observed at School of Engineering and Management to honour and revere Mahatma Gandhi and his contribution to India and his sacrifices during the freedom struggle.

Sant Gadage Baba Jayanti

Date : 23rd February 2024

In line with the spirit of Sant Gadage Baba's teachings, we the National Service Scheme unit DYPSEM, organized a special "Cleanliness Campaign". This initiative aimed to not only pay homage to the revered saint but also to demonstrate our commitment to environmental stewardship.

"International Women's Day"

Date : 7th March 2024

NSS Unit at the D Y Patil School of Engineering and Management organised a "Haemoglobin Check-up & Blood Donation Camp" for girl students and female faculty members in order to commemorate "International Women's Day".

- This camp was inaugurated by Hon'ble Mrs. Pooja Ruturaj Patil Ma'am.
- Total Haemoglobin Tests conducted – 337
- Total blood bags collected – 52
- This camp was successfully run in collaboration with D Y Patil Hospital Team.

"स्नेह - बोल"

on the occasion of International Women's Day

Date : 07th March 2024

On the occasion of "International Women's Day" the D Y Patil School of Engineering and Management organised an Interactive Session - "स्नेह - बोल" on 7th March 2024.

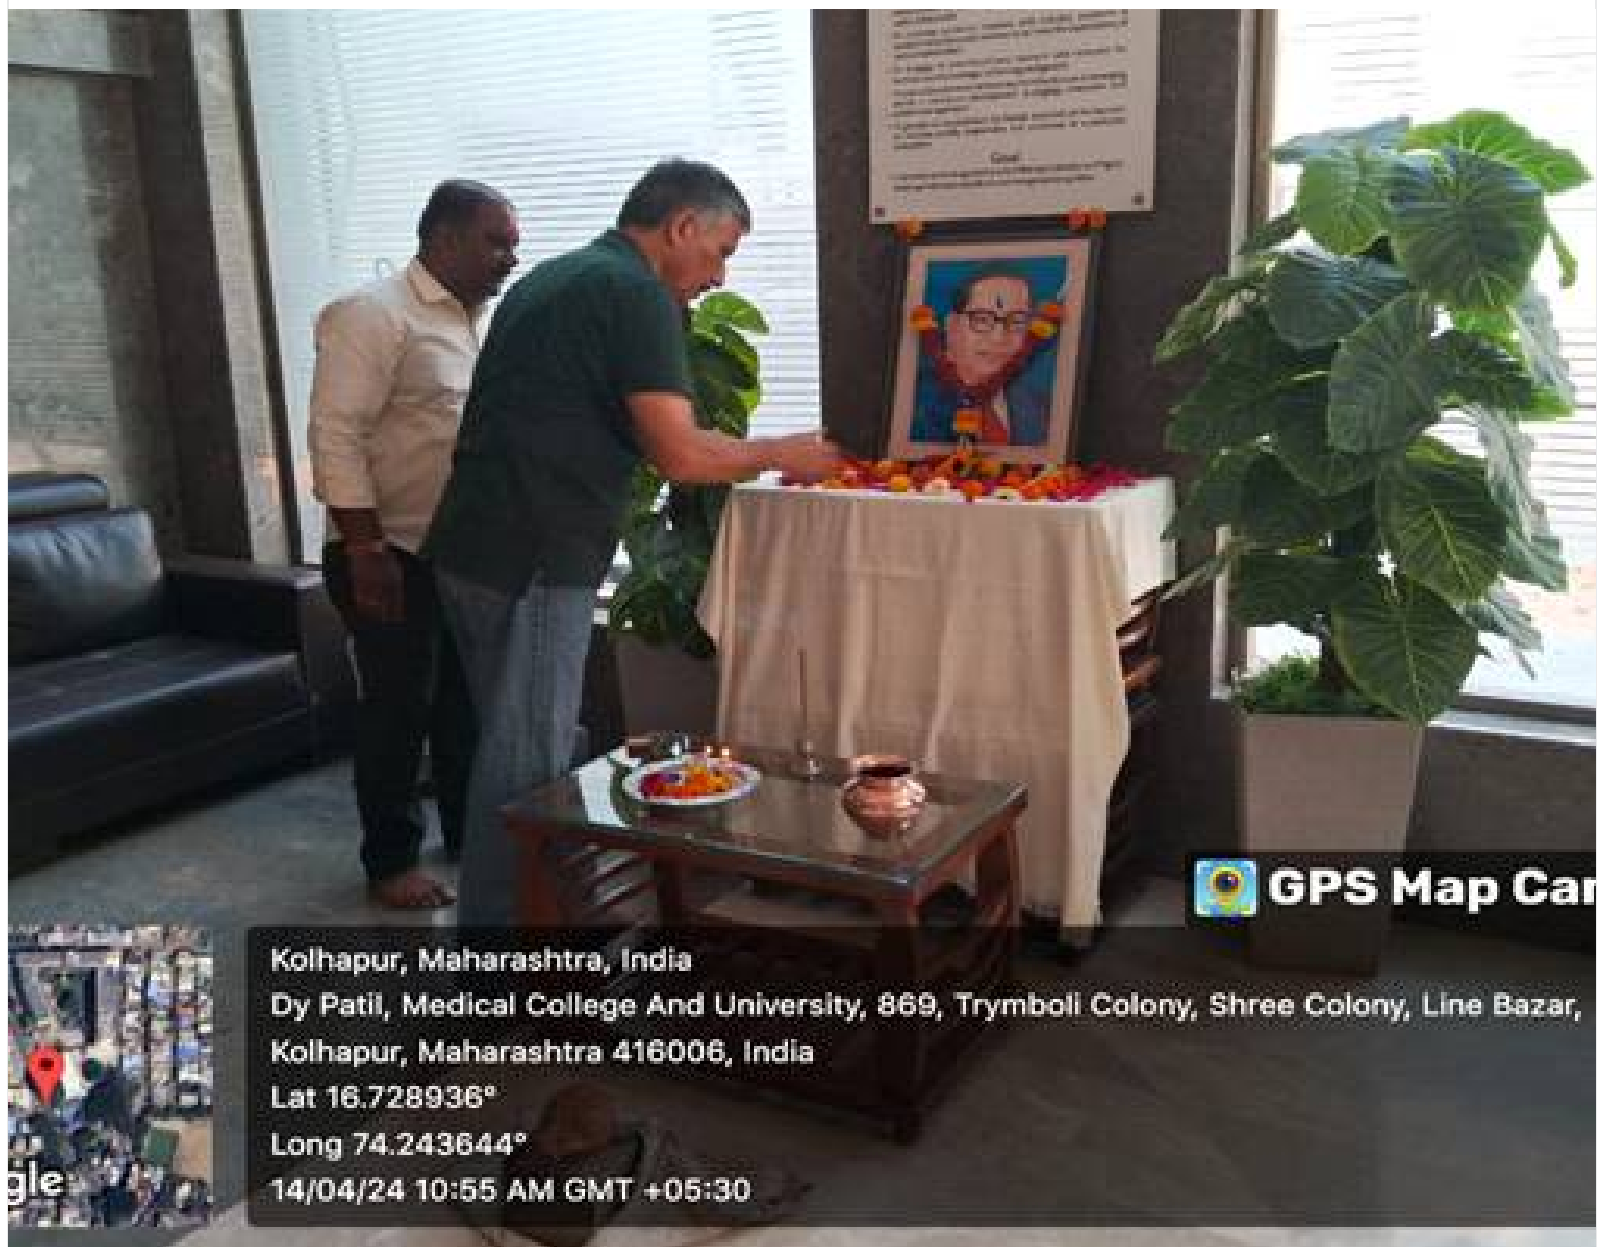

- The interactive session involved fruitful discussions with our valued Chief Guest for the program, Hon'ble Mrs. Pooja Ruturaj Patil Ma'am also graced by the presence of Hon'ble Dr. Shimpa Sharma Ma'am and Hon'ble Mrs. Shrilekha Satam Ma'am.
- The inauguration of the Women's Day special Newsletter at the hands of Hon'ble Mrs. Pooja Ruturaj Patil Ma'am added another gem to the occasion.
- The one on one question-answer session helped the audience dive through soul- stirring and enlightening discussions. The invaluable, encouraging inputs from Hon'ble Mrs. Pooja Ruturaj Patil Ma'am, Hon'ble Dr. Shimpa Sharma Ma'am and Hon'ble Mrs. Shrilekha Satam Ma'am brought light to the event.

Salutations to Dr. Babasaheb Ambedkar on his Birth Anniversary

Date : 14th April 2024

The Birth Anniversary of a great visionary Dr. Babasaheb Ambedkar was commemorated at the D Y Patil Education Society, Deemed to be University. A gesture of reverence was made by offering flowers by Hon'ble Vice Chancellor, Dr. R. K. Mudgal. 3. Chaitrali Jadhav	6. Vinaya Sankpal	9. Kalyani Surve	12. Rohan Patil	

09. RENDEZVOUS WITH EXPERTS

Expert Talk : “Back to Basics - Mr. Murlidhar Parulekar”

16th September 2023

The lecture shined light on the basic knowledge of programming, networking and Operating systems, importance of ChatGPT and AI Technology and helped the MCA and BCA students delve deeper insight into the skills essential for making a bright career in IT sector.

Expert Talk : “Start-Up Initiatives” by Mr. Prasanna Karmarkar

16th September 2023

The event was organized to train the students about start up initiative. The event was addressed by the resource person Mr. Prasanna Karmarkar, Kolhapur. The aim was to make students aware about entrepreneurship, different startup activities in their areas of interest, to develop leadership quality and how to develop problem solving skills. It also aimed to nurture the students for community development.

Expert Talk : “Career Guiding Session- Basics of Data Science

07th October 2023

The 'Google Developer Students' Club' team from D.Y. Patil College of Engineering & Technology conducted the session for MCA students. Apart from the major learning outcomes like the need to study the fundamentals of data science like Mathematics, statistics, Python language, Python libraries and Database management, the students understood the importance of a better portfolio and importance of LinkedIn account to connect for better opportunities for their future career.

Expert Talk : “Linux Virtual Machine” by Prof. Mr. Mehul Jadhav

11th October 2023

The event was organized to enhance the students' understanding about virtualization technology and provide them with a foundation to use Linux within a virtualized environment. This activity aimed to bridge the gap between theoretical knowledge and practical application. It also helped fostering a culture of continuous learning and skill development among the students. The event also did not only focus on continuous learning and skill development among the students but also offered them hands on experience of installation process, managing dual operating systems etc.
